

## **Introduction of Duties as Listener**

[Stand up]

Mister (Madam) Toastmaster, Fellow Toastmasters, and Guests

As Listener, it is my responsibility to listen closely to everything said during the meeting, with particular attention to the prepared speeches and Table Topic speeches.

Throughout the meeting I will make notes and create questions for the audience in order to test our listening skills.

At the end of the meeting I will ask for answers to these questions to see how closely everyone listened.

Mister (Madam) Toastmaster
